## *Our Story*

Java Man resides in an original beach house built in 1929. Rick Hankus, local resident and owner of Ocean Diner in Hermosa Beach, wanted a comfortable place where people could hang out, drink flavorful coffee and have a tasty sandwich or a yummy dessert.

In 1992, Java Man opened its doors when even the word "latte" was unfamiliar. Locals and visitors alike enjoy the friendly atmosphere where the staff knows your drink even before you do!

Please try our other place, Ocean Diner for an incredible breakfast, lunch or dinner. A 1940's diner with a huge menu of homestyle cooking with a healthy approach. It's just up the street at 959 Aviation Blvd. in Hermosa Beach.
